OFFICIAL HISTORY OF THE GREAT WAR

MILITARY OPERATIONS

MACEDONIA, Vol. I.

The history of the campaign in Macedonia during the Great War will be completed in two volumes. This first volume follows the fortunes of the Armies in the field down to the Battle of Dojran in April and May 1917. On the political side it includes the deposition of King Constantine of Greece in June, an event which put an end to the division of Greece into two hostile camps and brought her into the War on the side of the Allies.

While the military problems are not less interesting and instructive than those of other campaigns, the student of political affairs will find in these pages an unusually detailed account of the effects of conflicting national policies upon the strategy of allied armies.
